ADVANCED DIPLOMA IN PROFESSIONAL ACCOUNTING
JPT/BPP(K) (N/344/5/0228/PA4127) 01/19
Sunway TES Centre for Accountancy Excellence

Sunway TES was incorporated in 1994 as a subsidiary of the Sunway Education Group, conducting internationally renowned professional accounting programmes such as the Association of Chartered Certified Accountants (ACCA); Certified Accounting Technician (CAT); The Institute of Chartered Accountants in England and Wales (ICAEW); Certificate in Finance, Accounting and Business (CFAB); The Malaysian Institute of Certified Public Accountants (MICPA) and Masters level qualifications such as Certified Internal Auditors (CIA) and Chartered Financial Analyst (CFA).

Sunway TES has been selected as the Centre for Accountancy Excellence (CAE) by the Government via PEMANDU under EPP 17 in 2013, which is aimed at transforming Malaysia as the leading Accountancy hub in the Asia Pacific region by 2020. This is part of the government’s ongoing Economic Transformation Programme (ETP) projects. Sunway TES with strategic partners will now champion accountancy programmes at the professional level at national stage.

With the advantage of experienced and dedicated staff, both academic and administrative, Sunway TES Centre for Accountancy Excellence has achieved remarkable success. Our track record includes world prize winners and top scorers in ACCA, CAT and ICAEW examinations; demonstrating commitment and ability in meeting global standards in accounting studies.

VISION
To be a world-class provider of professional accounting and financial programmes in Asia.

MISSION
Transforming Malaysia into a leading Regional Accountancy hub in Asia Pacific.
Provide internationally recognised and quality professional accounting and financial programmes to meet the needs and interests of full-time and part-time students, both locally and internationally.
A World-Class Institution for Professional Accounting and Financial Programmes in Asia.

Why Study Diploma and Advanced Diploma in Professional Accounting?

Fulfilling All Needs
Practical yet comprehensive, the programme is designed to meet the needs for training in fundamental business practices with an emphasis on general accounting and finance principles.

Pathway To Success
The programmes provide a unique opportunity for those who have their sights set on becoming a professional accountant.

Firm Foundation
Students can earn this qualification as a basis to further studies as it provides a wide range of career options in the financial industry.

Flexible Study Options
The programmes offer wider flexible study options to students in choosing their preferred pathways leading to a professional qualification.

Progression into Tertiary Level of Studies
The programme gives an opportunity to students to move into the undergraduate courses. The College is currently working with several renowned Universities for admission into their undergraduate programmes.

Sunway TES Centre for Accountancy Excellence provides internationally recognised and quality professional accounting and financial programmes to meet the needs for training in fundamental business practices with an emphasis on accounting and finance principles.
What Will I Obtain?

The Sunway College Diploma and Advanced Diploma in Professional Accounting programmes provide students with a foundation and knowledge in the area of accounting and finance.

- Demonstrate a grasp of theory, technical based skills and ethical perspectives relevant to core accounting and finance areas.
- Prepare students to communicate and function effectively in teams, demonstrate effective communication skills, function effectively as a team member.
- Contribute effectively to the successful operation of a business particularly in the area of accounting and finance, apply analytical skills, relevant theory and logical thought to decision making processes within a business.
- Demonstrate an in-depth understanding of technical and theoretical aspects of accounting, including auditing, taxation, and financial management, commercial law, in order to meet the educational requirements of the professional accounting associations.
- Demonstrate ethical values, global awareness and technological skills in identifying problems and issues as well as in making decisions related to accounting problems.
- Recognise that the body of knowledge in the field of accounting and finance is continually evolving, as is the legal and regulatory environment within which accounting is performed.

Assessment

The major objective of assessment is to improve student learning and measuring their knowledge, competence and skills outcome.

- Coursework and examinations are internally assessed.
- Examination papers are moderated to ensure quality standards.

Final grades reflect a 40-60% split:
- 40% Coursework and Assignments
- 60% Final Examinations
