PURSUIT is published once a year and covers events from July 2022 till June 2023

Message from the Editor

The year 2023 marks my eighteenth year of service with Sunway College Johor Bahru. As I look at the 18-year-olds sitting around at our campus courtyard, I marvel at how much our students have changed over the years. I remember teaching our very first batch of ACCA students and just as nostalgia was temporarily filling me, the sudden laughter of a group of students made me realise that not everything has changed.

Our students still have boundless energy and endless curiosity. They still look at the floor when the lecturer asks them whether the assignment is done (and usually, it is not done) and they look at the ceiling when they do not know the answer to a question. My personal favourite is when they look at each other when the lecturer calls for a volunteer.

Perhaps what has changed the most is accessibility. Our students have access to so much nowadays, especially information and opportunities. As a college, we help our students to reach out and achieve their dreams. Whether it is learning a new language or meeting future employers, we open as many doors as we can to let our students go beyond the walls of the campus. Our classes may be from 8 am to 6 pm but our work is not done by sunset.

However, when we witness our students walk across the stage to receive their testamurs and from their blank stares at the classroom ceiling to eyes filled with achievement and purpose; indeed, there is no better reward than this. We will willingly do it all over again.

Ong Mei Mei

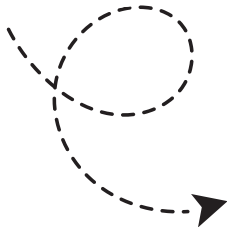

*"I have no sense of nostalgia.
Tomorrow is what interests me."

● DIT students *Flip It Out!*

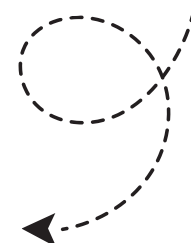

The Flip It Out challenge was organised exclusively for Diploma in Information Technology (DIT) students where a series of quiz questions sourced from the wide range of IT e-magazines available on the Flipster app saw participating teams pitted against each other in a race of speed and knowledge. The activity was a collaborative effort between the Library and Learning Commons and DIT Coordinator, Mr Wilson Low, who wanted to encourage reading in a fun manner while exposing students to the latest news on trends and advancements in information technology.

Health and Wellness Programme for the Campus Community ●

A team of doctors, nurses and medical officers from Hospital Sultan Ismail spent a day on campus as part of their 'Program Pencegahan Dan Pengurangan Kemudaran Substan, Alkohol, Rokok Dan Dadah' (Substance, Alcohol, Tobacco and Drug Prevention and Harm Awareness Programme). Educational displays highlighting the dangers of substance abuse were complemented by information about the availability of intervention programmes to support those who wished to kick the habit.

Staff and students also had the opportunity to enjoy free health and fitness assessments, including eyesight tests, BMI, blood pressure, sugar levels, HIV and Hepatitis C checks.

Halloween Fun Run, a *Spooktacular* Success!

The Sunway College Residence (SCR) with the support of Student Services, organised a thrilling night run in conjunction with Halloween. The event brought together students, parents, staff, families from the neighbourhood community as well as avid runners who gamely came dressed in creative costumes fit to scare and befitting the theme. The 5km run flagged off at sun-down amid laughter and much excitement. Runners collected glow bracelets at three checkpoints along the route which was required for their Finisher Medal entitlement. Pop-up stalls selling food and drinks, and even “scary make-up” artistry added fun to the evening while lucky draws and prizes for best dressed runners brought the event to an exciting close.

Academic Symposium 2022: Nurturing Educators, Shaping Generations

The Academic Symposium 2022, organised by Sunway College JB senior lecturers, returned on 12 November. The event, which could not be held during the Covid-19 pandemic brought together academics for a day of in-person knowledge sharing and idea exploration. Provost of Sunway University, Professor Abhimanyu Veerakumarasivam and the Dean of School of Interdisciplinary Studies at Sunway University, Professor Stephen J. Hall graced the occasion as keynote speakers.

The symposium provided an excellent platform for the entire college’s academic team to reconnect and exchange insights, a rare opportunity given the daily class schedules of each individual across a diverse range of programmes, subjects and teaching calendars.

● New collaboration brings German Language to campus

Guten Tag! Sunway College Johor Bahru and German Educare are collaborating to provide German language and study pathway support services to students keen on pursuing undergraduate studies in Deutschland. The MOU signing ceremony, attended by Deputy Principal Ms Ong Mei Mei and Ms Gyvinne Koh, Director of German Educare, was witnessed by His Excellency Dr Peter Blomeyer, the German Ambassador to Malaysia.

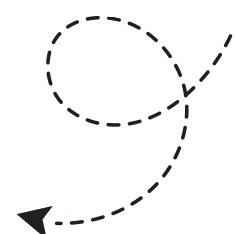

The opportunity to pursue education at zero tuition fee is an attraction to many. However, most German universities have requirements for competency in the language. With this arrangement, students may now commence on their beginner level of language classes concurrently with their Pre-U studies, saving time and cost. Lessons are delivered by teachers, trainers and student advisors from German Educare.

AMAZ-FIT : Be fit, be amazed! ●

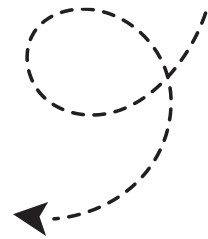

Diploma in Health Care Management students collaborated with Hospital Sultan Ismail Johor Bahru (HSI) and Kementerian Kesihatan Johor (Johor Health Department) to hold the AMAZ-FIT, an event aimed to promote healthy living among the campus community. This exciting event featured a range of fitness-related activities, including a free aerobics class led by professional coaches, as well as mini challenges such as the 'Plank Challenge' and 'Animal Jump' game. HSI upped the WOW factor with their Wellness on Wheels truck, bringing a host of interactive mobile fitness activities to engage the audience. Participants had the opportunity to enjoy PS4 games, work out on a bicycle powered juice blender and a host of tests to check their fitness levels!

Career Opportunities with Marriott International

The Marriott International Southern Region Career Event that was held on campus provided students from the Diploma in Hotel Management and Diploma in Events Management programmes an opportunity to network with industry leaders from Marriott properties down South. Representatives from Renaissance Johor Bahru, Four Points by Sheraton Desaru and The Westin Desaru Coast were present while participants had the unique opportunity to engage in person at a dialogue session with hotel General Managers Mr Maverick Loh of Four Points by Sheraton Desaru and Mr Kanit Sangmookda, from Renaissance Johor Bahru. To mark the occasion, students were treated to delightful refreshments featuring a live station led by the talented Pastry Chef from The Westin Desaru Coast. Pretty assortment of delectable macarons of every colour in addition to croissants, complemented by an exquisite tea selection certainly ended the event on a sweet note!

Eco Mubarak – A celebration of Culture and Sustainability

The convergence of two significant events, Earth Day and Hari Raya Aidilfitri, provided a unique opportunity for the campus community to come together in celebration. This double celebration, aptly coined Eco Mubarak, celebrated the values of environmental conservation and cultural inclusivity, making it the first of its kind on campus. Led by the team of dedicated general studies lecturers in collaboration with Student Services and the Community Outreach Club, the event featured a wide range of activities that showcased our commitment to sustainable practices while promoting the rich Malay traditions associated with Hari Raya Aidilfitri celebrations.

Activities included e-Waste collection, the Upcycling Project for used clothes, a plastic bag trade-in initiative, ketupat weaving, traditional games and an Earth Day Quiz. Students and staff immersed themselves in the joy of traditional games such as 'Congkak' and 'Capteh', which saw friendly competition and a delightful atmosphere.

● Building Bonds through Friendly Competition

Sunway College Johor Bahru hosted students from Universiti Tunku Abdul Rahman (UTAR) Sungai Long Campus for a day of friendly matches to foster inter-college ties and cultivate new friendships. Students from both sides competed in futsal, badminton, table tennis and volleyball games, exhibiting their skills, sportsmanship and team spirit. Beyond the thrill of competition, this was an excellent opportunity for students from different institutions and backgrounds to forge friendships, as they shared laughter, exchanged experiences and bonded over their shared passion for sports.

Raising Awareness on the Importance of Sustainable Practices ●

Students from the Diploma in Accounting, Diploma in Marketing and Diploma in Business Administration programmes put together a showcase of initiatives to raise awareness and encourage sustainable practices during the campus Open Day. Teams were tasked to choose one of the 17 UN Sustainable Development Goals (SDGs) close to their hearts and propose how they could put into practice a simple idea to make a difference in their own small way.

The showcase offered a fantastic opportunity for Open Day visitors to hear about the inspiring initiatives and actively engage with the passionate students involved. From addressing environmental sustainability to promoting social equality, this showcase demonstrated the dedication and commitment of our students towards creating a sustainable future.

Post Covid-19 Graduation Ceremony registers largest turn-out so far!

The Sunway College Johor Bahru Graduation Ceremony on 15 October 2022 broke all previous records to register the largest number of attendees (graduates and guests), stretching the Grand Ballroom at Holiday Villa Johor Bahru City Centre to its maximum capacity. The occasion marked our first in-person ceremony after a 2-year hiatus due to the Covid-19 outbreak and family members came out in full force to celebrate the academic success of their loved ones. The venue quickly filled with proud parents and staff, while graduands excitedly donned their robes, all set to take their place on the stage to be acknowledged for their achievements.

The ceremony commenced with the academic procession followed by a spirited welcome address by Principal Mrs Hor Poh Choo, who expressly highlighted the graduands' remarkable achievements amidst the backdrop of the biggest global health crisis of this decade. She proceeded to commend them for their courage and resilience in persevering in their studies despite the larger portion of their learning having taken place online before honouring the parents and family members who had supported them throughout the journey. Chief Executive Officer of Sunway Education Group, Professor Dato' Dr Elizabeth Lee, who was unable to attend in person sent her message of congratulations via a video recording which was projected on the large screens.

As the ceremony rolled on, the graduands made their way on-stage one by one, soaking in their well-deserved applause as they received their hard-earned certificates from the Principal. Thunderous applause resonated throughout the ballroom as eager friends and excited loved ones craned their necks to catch a clear view of the graduands in their moment of glory.

The special awards segment honoured 4 graduands who each represented the best of their cohort and were presented by Deputy Principal, Ms Ong Mei Mei.

Award of Academic Excellence

- ACCA Qualification – Lim Yan Zhe
- Diploma Programmes – Lim Jun Ying

Overall Outstanding Achiever Award

- ACCA Qualification – Sam Peggy
- Diploma Programmes – Siow Jun Xuan

The stage was then graced by student representatives, Lim Yan Zhe and Siow Jun Xuan, who on behalf of the graduating class reminisced about their college journey, personal growth and transformation.

The ceremony came to an official close when the academic procession exited the venue. This was quickly followed by a flurry of movement as graduates and family came together for photo-taking to commemorate the occasion.

We take this opportunity to once again congratulate the Class of 2022!

Thank you for making Sunway College Johor Bahru part of your life journey.

Congratulations

to the following graduates who were awarded their certificates on 15 October 2022
