COVID-19 ADVISORY 56: MASK ON, MASK OFF

Dear Students, Parents & Staff of the Sunway Education Group Community,

1. It has been most exciting to see our Sunway campuses bustling with activities since the Government announced our nation's transition to endemicity. On-campus in-person physical events have steadily increased, and it is truly heartening to see many of you enjoying the lunchtime musical performances, guest lectures, sports activities and student-led programmes. Of course, our first in-person [Jeffrey Cheah Distinguished Speaker Series](#) will take place next month as well, so do sign-up.
2. Recently, the Ministry of Higher Education (MOHE) announced updated SOPs about the operations of Higher Education Institutions. Upon discussion and deliberation, the Sunway Education Group COVID-19 Management Committee would like to convey the following updates.

FACE MASKS

3. The wearing of facemasks will be **COMPULSORY** when you are **INDOORS**. While the Government has allowed for face masks to be off outdoors, we **HIGHLY ENCOURAGE** our community to continue to wear their face masks for their own safety. This is especially so if you are in the high-risk category (with co-morbidities, not fully vaccinated/ unvaccinated etc.) and/or in crowded places.
4. All symptomatic (coughing, sore throat, flu, etc) persons must self-test negative for COVID-19 before being allowed on campus and masks must be worn at all times while on campus as long as symptoms persist.

ACTIVATE MYSEJAHTERA TRACE

5. Please ensure that your **MySejahtera Trace** is activated. MOHE requires this to be done to facilitate with contact tracing in the event infections occur.

CONCLUSION

6. As we welcome this return to normalcy, we must nevertheless always remain vigilant. COVID-19 is still around us. Therefore, let us continue to maintain good hygiene practices, avoid crowded places where possible and be mindful around individuals who are especially susceptible to the virus for both their safety and ours as well.

Thank you and take care. #LindungDiriLindungSemua #ReopeningSafely
