

SUNWAY EDUCATION GROUP

COVID-19 ADVISORY 54: BOOSTER VACCINATION PROGRAMME & STUDENT EVENTS / ACTIVITIES

Dear Students, Parents & Staff of the Sunway Education Group Community,

1. We hope everyone is doing well. It's nice to see our campuses bustling with activity again as the various semesters and programmes begin. These of course coincide with the April 1 'transition to endemicity' or #ReopeningSafely as the Government terms it. Many of the MCO / National Recovery Plan restrictions have now been lifted, and life has somewhat returned closer to pre-COVID-19 pandemic times. This said, we must always continue to be vigilant and adhere to the SOPs.

VACCINATION DRIVE IN COLLABORATION WITH NATIONAL CANCER SOCIETY OF MALAYSIA

2. On 13 April 2022, SEG in collaboration with the National Cancer Society of Malaysia (NCSM) held a COVID-19 vaccination drive at the Graduate Centre. This collaboration is in line with SEG's continuing commitment and effort to ensure that our SEG community is protected from COVID-19. Over 200 students and staff received their COVID-19 vaccine booster shot.
3. In light of the encouraging response, **another vaccination drive is planned for 19 May 2022**. Please do register for the booster vaccination if you have not already done so by scanning the QR code in the poster below or by clicking on the following link. **Kindly note that this is only open to individuals who are taking their 1st booster jab:**

- Open to all staff/ students
- 19 May 2022, Thursday
- Graduate Centre

Scan to register

Registration will be closed on 11 May 2022

MINISTRY OF HEALTH MALAYSIA | National Cancer Society Malaysia | PROTECTHEALTH | YACC CAMPUS | SUNWAY UNIVERSITY | SUNWAY COLLEGE

UPDATE: STUDENT EVENTS & SPORTS ACTIVITIES

4. The SEG COVID-19 Committee has also resolved that all student events and sports activities will be allowed to take place, subject to the following observances:
 - a. Only those who are fully vaccinated will be allowed to participate. Students with valid reasons for not being fully vaccinated may participate on a case-to-case basis.
 - b. All organisers and attendees must register via MySejahtera (and be of Low Risk or Casual Contact No Symptoms status) and scan the eTrace when entering venues.
 - c. Event organisers must record the attendance of all attendees.
 - d. Venue capacity is subject to physical distancing of at least 1 meter.
 - e. External guests are allowed to attend/ be present, subject to strict adherence to campus SOPs.
 - f. All participants/ guests/ attendees are strongly encouraged to take a COVID-19 RTK-Antigen Self-Test before entering the campus in order to attend events or participate in sporting activities.
 - g. For indoor events, the venues must have proper ventilation.

For further information, please contact Student LIFE.

5. In addition to the above, you would have noticed that additional seating capacity (subject to 1-meter distancing) to accommodate the increasing number of people on campus has been provided. Quiet study spaces are also available for students.

CONCLUSION

6. We have been made to understand that the Government / Ministry of Health plans to announce additional easing of SOPs in the coming days. We will provide our SEG community with updates once official notice is received.
7. Over the last 2 years, our entire Sunway community (and indeed the nation) has worked tirelessly to overcome the unprecedented challenges brought by COVID-19. As we enter the latter stages of this pandemic, it is perhaps more important now than ever that we do not let our guard down. Instead, we must keep our eyes alert to the challenges that still exists. Your continued adherence to the safety measures outlined and self-awareness of the situation will ensure we complete this final hurdle successfully.
8. On a personal note I thank you for your relentless support, cooperation and understanding.

#LindungDiriLindungSemua #ReopeningSafely

Professor Elizabeth Lee
